

ADVANTAGE ACRE® SPEAKS  
**YOUR FIELDS' LANGUAGE**

I really like  
this **hybrid!**

I'm going to have a  
**record-breaking** year!

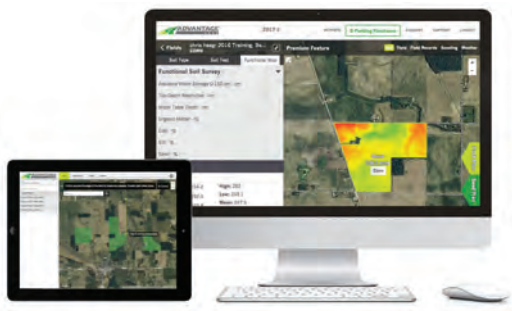

Looks like great **weather** all the way to tasseling!

Higher **population** here please!

Access field records and farm management tools, 11-month weather forecasts, scouting records and variable rate planting recommendations—all in a single platform.

**You'd think your fields were talking to you...**

### GET STARTED TODAY

Advantage Acre® is a foundational tool to begin quickly loading data and analyzing information in a web-based platform, giving you simplified and functional access to your operation's information and data.
